

Dear FCC,

I am writing to you today to let you know that I am opposed to the LPFM stations taking over current FM translator service esp. KLOVE channels. I listen to KLOVE every day at the office and in my car. It provides me inspiration and keeps me tuned in to the news. It is a family friendly radio station. Our community would be hurt without it because it would now allow the voice of hope to be heard and music with a positive purpose would be gone. The public is better served if they can continue to listen to KLOVE, a very encouraging, positive, daily force. It is sustaining.

Thank you,
Pam Kerr
